To Whom It May Concern:

It is my privilege to write this letter in support of Kimberly Weber of Iowa Home Care for the Woman Business Owner of the Year award. Kimberly has been instrumental in establishing and growing Iowa Home Care to a statewide corporation that provides home health care services throughout the state.

It is through her dedication, leadership, and compassion as a nurse leader that Iowa Home Care provides high quality, compassionate care to the patients they serve.

Kimberly is actively involved in her community through volunteering as well as donations to organizations such as Broadlawns Medical Center.

Kimberly is much deserving and is a role model for women who are seeking to develop, manage, and run a corporation. I appreciate your consideration, as she is most worthy of the Woman Business Leader of the Year award.

Sincerely,
