Public Policy and Government Relations

To whom it may concern:

I am writing in support of Angela Franklin's nomination as a 2014 Business Record Woman of Influence.

I had the pleasure of meeting Angela and her husband, Thad, shortly after they moved to Des Moines in 2011. I was immediately impressed with the quality individual that Angela is.

I have had the opportunity since our initial meeting to interact with Angela both socially and professionally. Even with the strong first impression, I have been even more pleased with how quickly Angela has become rooted in her new community. Her willingness to share insight and wisdom with a variety of groups has been most welcome. Angela has embraced our community and the community has responded to her presence in the most positive of ways. She has been a great role model for young women with her successful career and highly visible presence in the community.

Angela has taken the time to lead the Go Red with Women initiative, as well as serving on the boards at the Science Center of Iowa and Bankers Trust.

I would be happy to answer any questions that you may have about my support of Ms. Franklin's nomination.

Sincerely,

Michael Sadler
