

## Patricia Boddy, P.E.

### SUSTAINABILITY DIRECTOR

With an extensive background in government administration and business ownership, Pat brings a wealth of experience in public engagement, outreach, strategic/master planning, and overall parks, natural resources and watershed management. Her work focuses on projects with the means to achieve social, environmental and economic results. Pat has served as Executive Director of the Polk County Conservation Board, Interim and Deputy Director of the Iowa Department of Natural Resources, and President of Boddy Media Group – a national award-winning communications/research firm focused on applied science and conservation.
