Dear Selection Committee,

On behalf of Warren County Economic Development Corp. (WCEDC), we would like to express our wholehearted support for the nomination of Mayor, Ruth Randleman, for the 2016 Business Record Women of Influence award. Mayor Randleman has served as Vice President of the WCEDC Board of Directors for the past ten years and has been an integral part of the economic health and positive growth of Warren County.

Mrs. Randleman has served as Mayor for the City of Carlisle since 2003, all the while continuing her devotion and dedication to economic development, and simultaneously striving to improve the quality of life for residents, and overall betterment of the community.

Mayor Randleman is continually positive, professional, and tireless in all areas of her public service responsibilities. She is the first person to volunteer for anything that might benefit others and is always willing to help with community and regionally based initiatives such as: The interstate designation plan for Highway 5, the extension and completion of regional trail systems, downtown improvement programs, financial leveraging, public transportation, as well as library and public safety needs.

For the above reasons mentioned and many more that are too numerous to mention in a letter, we believe that no one is more qualified or deserving of this award than Mayor Ruth Randleman. Thank you for your consideration.

Doug Shull

Board President, Warren County Economic Development Corp.
