Dear Women of Influence Nominating Committee,

Please accept my support for the nomination of Elizabeth Presutti for the Business Record's Women of Influence honor. I have gotten to know Elizabeth well during my service on the DART Commission and am proud to call her a friend.

Elizabeth has a kind yet fiercely determined personality that has helped her succeed in her work in public transit. She has big ideas that she is able to implement through thoughtful collaboration with various community partners. She is accountable to the general public and all of the elected officials of the jurisdictions within Polk County – a challenging environment that she is able to navigate with honesty and integrity.

I look forward to seeing Elizabeth's dreams for public transit realized in Polk County and am thankful for her dedication to our community. I hope you will consider honoring Elizabeth with the Women of Influence recognition. Thank you for your consideration.

Sincerely,

Angela Connolly, 2nd District
