Re: Cy Phillips Recommendation

To Whom It May Concern:

I have known Cy Phillips for the last 7 years and highly recommend him for the 2016 Class of the Forty under 40.

Cy business and philanthropic services have helped the growth and the future in the Des Moines area. Cy is already shaping the Des Moines community's future as his business (Space Simply) is challenging the way real estate will be sold in the future while maintaining the highest customer service and integrity.

Cy also gives many hours of time and focus to the YESS organization and many other groups throughout the year. I have also been fortunate to serve with him as part of the Des Moines Ambassadors Club for the past 7 years, which is a group of young professionals that give back to the Des Moines area.

The Des Moines community is and will continue to be blessed to have Cy Phillips as a part of it. The 2016 Forty under 40 class would not be complete without the addition of Cy Phillips.

Sincerely,
