Business Record

Forty Under 40

Re: Letter of Recommendation for Erin Wonsmos

Dear Business Record:

It is my great pleasure to write this letter of recommendation for Erin Wonsmos. I have managed Erin over the past 5 years. She is a motivated and responsible person with a high degree of integrity.

Erin is currently a Senior Marketing Coordinator at The IMT Group. She has a considerable amount of responsibilities and handles them effortlessly. Erin is very creative and has phenomenal written communication skills that have definitely benefited our company.

Erin is an integral part of our Marketing Department who works very closely with each and every department within our company. Everyone likes and respects her.

She has an excellent work ethic. Erin comes to work early and stays late until all of the tasks are completed. In fact, she speaks to driver's education students a couple nights a week every six weeks. She talks about the importance of insurance and how it is affected by your actions.

Erin is very knowledgeable and is willing to take on any task. She is very active and involved with almost every committee at The IMT Group.

I cannot think of a better candidate for the Business Record's Forty Under 40 Award. If you need any further information about Erin Wonsmos, please contact me. She is one-of-a-kind!

Sincerely,

Troy Neil
