RE: 40 Under 40 Nomination

Dear Selection Committee,

I am writing today to nominate Bryan Webber, Chief Marketing Officer for DomiKnow, for the 15th Forty Under Forty Class sponsored by The Business Record. I have known Bryan for several years, starting with his tenure at DSM Daily. Having had the opportunity to work with Bryan, he's always been an extremely hard-working and creative individual. He has a resourceful, inventive imagination that goes well beyond the cliché of, "thinking outside the box." Bryan leverages multiple social media platforms to elevate his clients' brands, leading a team that creates content for client Facebook pages and web-sites that has a flair and impact I've rarely seen from others in this field.

The 15th Forty Under Forty Class, and our community, would certainly benefit from having Mr. Webber as an alum. I heartily recommend his selection to this class.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Little".
