To whom it may concern:

I would like to give my reference for Rob Sarchet.

I have known Rob for the nine years he has been a volunteer member of the Polk City Fire Department. Rob started the department with no certifications and worked his way to become a certified Emergency Medical Technician and firefighter. It quickly became apparent that Rob was a strong leader and dedicated to his community. Rob's efforts earned him a promotion to Lieutenant and later to Captain with the department.

Outside of Rob's dedication and involvement as a volunteer EMT/ Firefighter, he is very active in other areas of the community. Rob serves as a city councilman and helps chair the city festival each summer. Rob is also very involved in various areas at Lakeside Fellowship church.

All my interactions with Rob have been pleasant and impressive. I believe Rob is an intelligent man with a great deal of honesty and integrity. He is an individual you can absolutely count on to finish the task at hand. Rob is very smart, a quick thinker, and can handle stressful situations with ease, multi-tasks well, and easily adapts to the various situations.

Thanks,

Dan Gubbins
