

Business Record Forty Under 40 Committee:

It is a great honor to nominate Tom Mulrooney for the 2017 class of Forty Under 40. To know Tom is to know a consummate professional, an untiring community advocate, and a grounded family man. I commend Tom for this recognition without hesitation.

Tom Mulrooney has brought positive change to UnityPoint Health – Des Moines with his pragmatic optimism, his unwavering commitment to our patients and their families, and his attention to detail. His leadership in the clinical areas of our organization has resulted in improved patient care and reduced cost. Yet, what I respect most of all is Tom's commitment to those around him. His management expertise stems from his respect for those with whom he works and the community he serves. Tom has all the attributes one wants in an employee, a co-worker, a neighbor, and a friend. And, based on what I know about his loving family, Tom is a terrific father and husband as well.

Tom has been chosen to lead many challenging projects at UnityPoint Health – Des Moines. He is known as a fair-minded negotiator, motivating team leader, and strategic thinker. Tom is an asset to our organization as much as he is for our community. Tom has been a United Way leader, coach, community volunteer and an officer in numerous professional organizations. Simply put, Tom is the whole package.

The Business Record's Forty Under 40 has recognized some of Iowa's greatest leaders over the years. By highlighting their talent, ingenuity, and contributions, the Business Record has set the bar higher for the rest of us and made Des Moines and Iowa better places to live. Thank you for the role each of you plays in this important program.

As you consider this year's class, I urge your careful consideration of Tom Mulrooney.

Thank you.

Sincerely,

Eric Crowell
President and CEO
