Recommendation for Jeff Scandrett

Jeff, along with his wife Katie, are faithful members and servants here at Fellowship. Jeff's specialty is music and he has been a consistent and outstanding member of our worship ministry as a drummer for some time. More than just his talent however, Jeff's dedication and especially his attitude make his involvement all the more meaningful. He always displays a willingness to do whatever it takes for the team and the church to succeed. With people like Jeff involved in our church, it makes one proud to pastor a church like Fellowship. I recommend Jeff for whatever recognition he may be considered for because of his personal character and integrity.

Sincerely,

Pastor Rob Jones
