Dear Business Record 40 Under 40 Committee,

This letter serves as a recommendation for Arren Wetzel. I have had the opportunity to work with Arren through his company, CLE Productions. Arren, and his company, have made a difference in the community of Ankeny. Through Arren's passion and commitment to excellence, the annual celebration, Ankeny SummerFest, has been a success. After seeing Arren's skill and passion for community celebrations, I eagerly recommend Arren as a 40 Under 40 honoree.

Arren began his company fifteen years ago. I became involved with Arren and CLE Productions in July of 2011. Arren's professionalism and ability to manage staff and various activities during the four day celebration was impressive. From 2011 to 2017, each year Arren and his company continue to shine above other companies in his field.

Arren is a leader in his field in the Des Moines area. I have witnessed Arren work with the Greater Des Moines Partnership and several activities in the Greater Des Moines area. His professionalism and integrity is exhibited in all areas, at all times.

It is with pleasure that I recommend Arren Wetzel as a 40 Under 40 honoree.

Sincerely,

Julie C. Todtz
