Nominations for 40 under 40

Nomination: Corey Morrison

Summary Statement: This individual, Corey Morrison is a leader because she consistently raises her hand to lead efforts in her organization and in the Des Moines community, including the Greater Des Moines Leadership Institute and Ankeny Leadership Institute.

Corey was a participant in my Tippie PMBA program in 2010 and also in our Integrity Integrated Women's Leadership program in 2015. I have also worked with Corey in her previous job at Unity Point as well as her current job at On With Life. In both of those courses, Corey was 100% engaged in not only learning more about herself as a leader and person, but also in sharing her insight with others that inspired them to also continue on their leadership journey.

Corey's strengthfinder results include being strategic, an activator and also a maximizer. As a servant leader, Corey is all about making sure that other people's needs are being served.

Ever since I first met Corey, I have continually said that she amazes me because of her inspiring ability to have such strong people skills while at the same time having such incredible intellect and organizational skills. Corey is truly an asset to her organization as well as the Des Moines community.

It is with great pleasure that I submit this nomination for Corey Morrison to be named one of the 2017 40 Under 40 leaders. Please let me know if you have any questions.
