January 8, 2014

To whom it may concern:

I am writing this letter to nominate Justine Peebles for the Business Record's 2014 40 Under 40 class. I have had the opportunity to serve on the Boys and Girls Clubs of Central Iowa (BGCCI) Board of Directors with Justine since 2012. BGCCI is in the infancy stages of starting a program called Feeding the Future. This program is intended to feed the children and possibly their immediate family members of the children participating in club activities. Justine has been an integral part of bringing this dream to reality. I find myself uniquely positioned to nominate Justine because of my regular interaction with her to help the young people who need us most, to reach their full potential as productive, caring, responsible citizens.

As a fellow board member, it is apparent that Justine wants to give more to the community. Her self-motivation, hard work and willingness to try are all admirable qualities. In two years as a board member, she has begun to take ownership in a vital program to the health and well-being of children in need.

Justine is a dependable board member. I am confident that this well-deserved nomination will help raise awareness to all the good that she has accomplished thus far. With that said, much more needs to be done to leave the community a better place than we entered it and Justine will do her part.

Regards,

Bryan T. Boesen
