

CORY W. SHARP, AIA

ARCHITECT

Cory brings an energetic and creative perspective to the design process and the multiple project types he works on. He loves to collaborate and build relationships with owners, staff, and community leaders. He believes that communication and the ability to build consensus is key when designing for his clients and results in a more successful project.

Bachelor of Architecture
Iowa State University, 2012

Licensed Architect: IA

7 years experience
6 years with FEH
