Russ Smith
Project Manager
Build with Ball

On behalf of Schneider Electric IT Mission Critical Services, we would like to recognize and thank you for your valuable work and attention to detail on the various Data Center Builds.

Your efforts help increase production, reduce timelines and come in under budget. Your dedication and commitment serve as a vital link to ensure that our team goals are met time after time.

Thank you for being an outstanding team member and making our partnership exceed all goals.

Sincerely,
