

To Whom It May Concern:

Please accept this letter as one of recommendation for Brittney Ledford to become a Business Record Forty Under 40.

I have had the pleasure of working with and directly supervising Brittney Ledford, in her resource development officer role at Mosaic in Central Iowa, for the past three years.

Mosaic in Central Iowa provides residential services to adults with intellectual disabilities in a six county area in Central Iowa.

Brittney is a natural leader, and has led our agency to achieve a number of significant outcomes for the people with intellectual disabilities, their families, our employees, and our communities.

Over the past three years, Brittney has been directly involved with sustainable fundraising and friend-raising efforts that have resulted in over \$350,000 in donations to our agency, 600 people attending lunch and learn sessions to increase awareness of the work that we do to create wonderful lives for people we serve, and 2000 volunteer connections to supplement the work that we do every day.

Brittney is highly involved with a number of local chamber organizations, business networking groups, community outreach programs, and volunteer efforts.

Brittney has been involved in leadership training opportunities, and is a young woman who exemplifies the desire to learn, grow, and to give back to her community. Aside from her work at Mosaic in Central Iowa, Brittney has taken on the role of being a volunteer legal guardian for a woman who needed this support.

I enthusiastically recommend Brittney Ledford as a Forty Under 40. She is most deserving.

Sincerely,

Carol Mau
Executive Director
