

Dear Selection Committee,

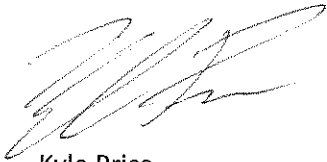

I met Amy Roberts four and a half years ago when I first started with the Dale Carnegie organization. It is crazy how much Amy and I have both grown over that time. I know that I would not be in the position I am without her. Amy is the definition of a leader. She measures the success she has on the success she creates for others.

That mindset has allowed her to elevate to the SVP of Sales and Marketing for the number one Dale Carnegie franchise in North America. Dale Carnegie is a brand with a rich heritage that is consistently looking at ways to evolve in the value we can bring to our clients. With Amy on our leadership team, that is happening and I'm confident it will be sustained in the future.

It isn't just Amy's work with Dale Carnegie that is impressive. She has been involved on the YMCA board for the last couple years and is consistently looking for area's where our team can get involved in the community. On top of that, she is dedicated to her husband and two young children.

Amy's ability to balance success in business, community involvement and family makes her a fantastic candidate for Business Record's Forty Under 40.

Thank you,
