To Whom It May Concern,

Larry Anderson has been an active member of the Ankeny Area Chamber of Commerce since he relocated to the Des Moines area in June of 2012. During this time, I have had the pleasure of getting to know him as a young business professional and active member of the community of Ankeny.

Larry is a young man who is reliable, sincere and passionate about helping others in both professional and personal capacities. He currently serves on the executive board for the Ankeny Area Young Professionals, a subsidiary of the Ankeny Area Chamber of Commerce. Larry also spends many hours each week mentoring new businesses in our community as a Chamber Ambassador and volunteering at our various events throughout the year.

Larry walks a beautiful line of professionalism and connecting with others on a personal level. His ability to turn acquaintances into friendships is a characteristic admired by many within our community. I highly recommend Larry Anderson for the Business Record's Forty under Forty 2014 Class.

Sincerely,

Hilary L. Dunn
