Integrity - Honor - Pride

Members of the Forty Under 40 selection Committee,

It is with great honor that I write this letter of support for Devin L. Boyer. I have known Devin for many years through our association in Rotary, where he has served in many capacities, most recently as president of the organization. Devin displays impeccable character in his all aspects of his life making him an excellent candidate based upon his professional accomplishments as Vice President of Commercial Banking at Community State Bank and his community involvement in the Waukeee Rotary, where his tireless efforts have made a significant impact on numerous members of the Waukeee Community.

Devin's dedication to serving others, his education, professional experience at Community State Bank, his conscientious demeanor, his strong work ethic, and his dedication and commitment to excellence make him a strong candidate for this prestigious award.

Having worked in the Criminal Justice System for over 35 years, 31 of those years with the Iowa Division of Criminal investigation serving in various leadership roles, and now as Chief of Police with the Waukeee Police Department, I know the importance of selecting quality individuals who are deserving of this recognition. I respect Devin as a Husband and Community leader. His Character is above reproach and he stands as a shining example of integrity. I urge you to consider Devin for the Forty Under 40 Award. The community of Waukeee has benefited greatly from Devin's hard work, his passion for service, and his professional demeanor.

I appreciate the selection Committee's dedication to this process. I know the decision is difficult at best with all the competent applicants. But I also know that the culmination of Devin's hard work, his passion for community service, and the depth of his personal and professional experiences make him an excellent candidate.
