Experience

Webspec Design

CEO / Founder

2001 - Present

Des Moines, Iowa Area

Webspec Design has an industry-leading team of web designers, web & software developers, content writers, SEO strategists, project managers and marketing staff based in Des Moines, Iowa. We hire the best and brightest to develop creative web design solutions and deliver your business unparalleled results. After seventeen years, hundreds of web design and development projects, and many software development projects, we are proud of our reputation for service and have over a thousand happy clients. We truly believe in partnerships, not projects.

Iowa Fireworks Company

President

April 2017 - Present

Urbandale

Iowa Fireworks Company is a local business dedicated to supporting nonprofits and helping Iowans celebrate freedom! We operate temporary locations throughout the state of Iowa offering consumer grade fireworks from June 13 to July 8. In our first year in business, over 30,000 Iowans visited our tents. We were able to write checks for tens of thousands of dollars to nonprofits we partnered with during the first season.
