

DERICK A. ANDERSON, PE | VICE PRESIDENT, WATER | MCCLURE

PROFESSIONAL REGISTRATION

Professional Engineer:
Iowa (17980)
Nebraska (E-14828)
South Dakota (11882)

EDUCATION

Bachelor of Science
Civil Engineering
Iowa State University

EXPERIENCE

McClure | 1999-2019

Practical engineering experience since 1999. As Vice President, Water, Derick manages the day-to-day operations of all projects and types. Derick is a stockholder of the company and sits on the Board of Directors.

His involvement in projects has included project management, design, construction administration, and on-site construction representative. During projects Derick will take the lead role calling on the expertise of the team as needed. He has been involved with several projects which included public relations and serves as the spokesperson when necessary. His projects have involved various funding sources including SRF, CDBG, FAA, USDA-RD, G.O. Bonds, Revenue Bonds, and TIF. Derick participates in project scoping, value engineering, manpower coordination and meeting client expectations.
