Forty Under 40
Nominating Committee

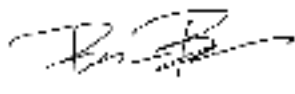

RE: Nomination of Suzanne Hull to be included in the 2014 Forty Under 40

Dear Committee:

I am honored to nominate Suzanne Hull for this years class. Suzanne and I met as classmates in the 2013 Greater Des Moines Leadership Institute class and bonded over the Amanda the Panda project where she led the marketing and events efforts in conjunction with Angela Ten Clay. When you meet Suzanne, you're struck at first by her big smile, and secondly by an almost immediate sense that she thinks differently than most. For her, there is no limitation, no boundary, only possibility. It is thrilling to be around someone that is always thinking CAN.

As a prior Forty Under 40 recipient, I'm honored to be able to submit to you Suzanne Hull's nomination. Her entrepreneurial spirit is unique and her problem solving capability enviable. Her inclusion in the 2014 class provides you with an opportunity to reward those intangibles leaders in a fluid business world need most.

Sincerely,

Ben Bruns
Sr. Business Development Manager
