Dear Jason and Selection Committee:

Today I'm writing in support of Krable Mentzer's nomination for the 2015 Class of Forty Under 40. I have had the pleasure of knowing Krable since 2002 and been increasingly impressed with her professional and volunteer work over the course of those years.

Krable is a person that shines in any situation she decides to involve herself with, as she does know as a fundraiser. Her tenacity and creativity are matched perfectly with her dedication to Easter Seals mission. We have served together in the Junior League of Des Moines. Krable is a wonderful asset to our organization in mentoring newer members with her infectious enthusiasm.

I'm pleased to add this recommendation letter to add another voice to the likely many other glowing reports on her commitment to the Des Moines community. Please consider Krable for this most deserving recognition. Thank you!

Sincerely,

A handwritten signature in black ink, appearing to read "Erica Axiotis". The signature is fluid and cursive, with the first name "Erica" being more prominent than the last name "Axiotis".
