Dear Sir or Madam:

My name is Rob Luther. I am the high school principal at Baxter CSD. I am also the head football coach for CMB High School. I am writing this letter in support of Mr. Jason Vos. I have had the pleasure to know and work with Jason for over 10 years. He has both taught and coached for me during that time.

This is a very easy letter for me to write as Jason has so many outstanding qualities. He makes an impact on those around him almost immediately. He does an outstanding job building relationships with our student-athletes. He genuinely cares about kids and shows interest in them way beyond the playing field.

I am incredibly lucky to have Jason on my coaching staff. He volunteers so much of his time to be a part of our football program. It is truly a year round commitment. He attends camps, meetings, and practices. He does all of this by commuting over 30 miles each way. Jason's abilities have been a key factor in the successes we have experienced at CMB.

Jason is a high integrity and character guy. This is evident in the way he approaches both his work and play. He makes those around him better. That may be the biggest compliment I can give him. His work ethic is outstanding. I am amazed at the job he does and all the while completely volunteering his time.

As you look at any awards or honors, you would be hard pressed to find a person more deserving. Our players are better young men because of Jason Vos. He has impacted so many young people in our school and community. Please feel free to contact me with any questions you may have about Jason. I would be more than happy to help him in any way possible.

Sincerely,

Rob Luther
