To Whom It May Concern:

RE: Brandon Hummel
Recommendation Letter

I would like to offer support for nomination of Brandon Hummel as a candidate for this year's Forty under 40 class. Brandon has been with the Baker Group for 10 years and recently was promoted to the role of Team Leader

Brandon has been a direct report of mine ever since he has been with Baker Group and he has always exemplified our company motto of "Expect the Best". He consistently delivers extraordinary service and results for our clients.

While Brandon achieves high results at work he is very active with his children and family in addition to taking leadership roles within several industry organizations such as DBIA and MCAI. He volunteers time to these organizations and also spends time mentoring students studying curriculum in our industry.

In addition Brandon is an active member at Lutheran Church of Hope.

Brandon would be a worthy addition to this year's class

Sincerely

A handwritten signature in black ink that reads "Doug Kumm". The signature is written in a cursive, flowing style.
