

Collin R. Barnes, IIDA, LEED® AP ID+C

INTERIOR DESIGNER

As an Interior Designer and Focus Market Leader, Collin Barnes brings an exceptional design ability and acute analytical skills to her projects - finding solutions to a variety of both technical issues and space planning challenges. She is a passionate environmentalist, accredited as a LEED ID+C® professional. Collin strives to create high performing, responsible, healthy environments for her clients. Collin is a forward thinking designer; she works to educate her clients on the advantages of modern technology and how incorporating these features into a space will help them respond to today's ever changing work place.
