Re: 2015 Forty Under 40

Dear Jason:

I am writing to nominate Christine F. Halbbrook, an associate attorney at Bradshaw, Fowler, Proctor & Fairgrave, P.C., for Forty Under 40. I have known Christine for several years and beginning in 2013 began to work with her.

Professionally, Christine is becoming a leader within the legal community. For the last three years Christine has been recognized by her peers to be nominated and included in *The Best Lawyers in America* publication which lists outstanding attorneys which are compiled through exhaustive peer-review surveys. This recognition is a result of not only Christine's hard work for and commitment to her clients but also Christine's involvement within the State Bar of Iowa, including acting as a speaker for many seminars and programs.

Christine is also actively involved in making Des Moines a thriving community. She participates in a variety of charitable events and has served on both the Chrysalis Foundation and Wallace Centers of Iowa for over five years. Christine's professional and civic commitment to the Greater Des Moines Area is a testament to her making Des Moines a great community for all ages. Please consider Christine to be awarded as one of the 2015 Forty Under 40 members.

Very truly yours,

Christine B. Long
