Dear Committee Members:

I am honored to write this support letter on behalf of Katie Stull to be considered for the Business Record's 2016 Emerging Woman of Influence award.

The Make-A-Wish Foundation of Iowa has had the unique opportunity to work towards fulfilling our mission of granting wishes to eligible children in Iowa and Katie Stull has helped drive our mission as a volunteer wish granter. Not only has she provided her leadership and financial support, but she engages in numerous volunteer hours for us.

Many individuals talk about the importance of giving back to community and their willingness to help get others involved, but Katie actually lives that philosophy. Whether it is helping us secure donated funds to Make-A-Wish Iowa or granting wishes that directly link her to our mission of sending our WishKids on their one true wish, Katie is truly a champion for our mission and our kids.

Thank you in advance for your time and consideration of Katie for this year's Emerging Woman of Influence. I cannot think of any other individual more deserving than her. Not only has she touched the lives of our children and this organization but many others throughout Iowa.

Sincerely,

Chris Voggesser  
President/CEO
