Re: Emerging Woman of Influence: Leng Vong

Dear Selection Committee:

I have worked with Leng Vong on the Immigrant Entrepreneurs Summit project and I belong to a women's group with her. I have been very impressed with her passion for the community and for her business. As a result of her professionalism I have used her marketing services and recommended her to other businesses I work with professionally. I would wholeheartedly recommend Leng for the award of the Emerging Woman of Influence. She is a minority woman with a lot of integrity, passion and commitment to Central Iowa. She would serve as an inspirational role model to other young women.

Please do not hesitate to call me with any questions.

Very truly,

Kimberley Baer
