Dear Jason,

I wanted to take the time to write this letter to recommend Tiffany Tokarz, owner of Modern Muse Consulting for the “Emerging Woman of Influence Award”. While I haven’t known Tiffany for a long period of time, I had the pleasure of working with her on events.

In my own journey, I have strived to inspire as many people as I can, through my story. Meanwhile, I have been blessed with meeting many amazing people, Tiffany certainly stood out among them. Her passion and energy fuels her events, which impact people far beyond the day of the event. I thought the people that should influence us, are the people that believe in us. Tiffany is a woman that has given many individuals this blessing, including myself.

I believe Tiffany would be a perfect candidate, in that she has emerged into a number of successful ventures, all of which have influenced a great number of people within Des Moines and beyond. Please feel free to contact me if you would like to know more, as I know in my experience, Tiffany has truly shined as a person that is worthy of any and all recognition for her passion, positive influence, and a kind heartedness that is above and beyond the norm.

Best Regards,
