Re: Recommendation for Kaye Lozier

Dear Sages Over Seventy Selection Committee,

I am writing in enthusiastic support to recommend Kaye Lozier for the Business Record's Sages Over Seventy recognition. I have known Kaye Lozier long before 2004 when she began participating in the Restoration Ingersoll/Grand Project. Kaye has always set herself apart in her desire to grow and lead in our community. She has served as our Restoration Ingersoll Treasurer for the past 12 years and has taken on many leadership roles in changing the landscape of the Ingersoll/Grand District.

Kaye has been a steward of our community for years balancing many roles through various organizations including:

- Director of Donor Relations for The Community Foundation of Greater Des Moines.
- First Vice Chair of the Des Moines Planning & Zoning Commission
- Chairman of the Board YMCA
- Past President of Des Moines Junior League

What is remarkable about Kaye is that she continues to grow and challenge herself. She is the owner and President of Lozier Consulting. Kaye is currently an active member of the West Bank Board of Directors, Restoration Ingersoll, and Nexus Executive Women's Alliance Chair. I admire her continued attention to detail, her dedication to a project and her professional leadership abilities to get things done.

Kaye has been a pillar in our community and it is evident she has and will continue to have a lasting impact on our community. Her talents, her energy, her dedication, and her vision have made our community a better place to live. Take a drive down The Avenues of Ingersoll & Grand and know that Kaye Lozier has been a big part of the economic changes you see happening in this district.

I enthusiastically recommend Kaye Lozier for the Business Record Sages Over Seventy Award.

Sincerely,

Soozie McBroom
Co-Chair Restoration Ingersoll
